# PRAKATA

Setinggi-tinggi syukur kerana buku Langkah-Langkah Menerbit Aplikasi Di Google Play ini berjaya disiapkan. Buku ini diterbitkan sebagai panduan atau rujukan kepada semua yang ingin menerbit aplikasi di Google Play. Buku ini mudah untuk di ikuti kerana ia menyediakan langkah demi langkah dari mencipta akaun Google Play hingga menerbitkan aplikasi. Buku ini menerangkan cara menerbit aplikasi menggunakan Google Play Console versi 2021. Segala maklumbalas dan pandangan mengenai buku ini amat dialu-alukan. Maklumbalas boleh dihantar ke [nikzetypsa@gmail.com](mailto:nikzetypsa@gmail.com)

## **PENGENALAN**

Google Play, juga dijenamakan sebagai Google Play Store adalah perkhidmatan pengedaran digital yang dikembangkan oleh Google. Ia berfungsi sebagai platform aplikasi rasmi untuk peranti yang diperakui berfungsi pada sistem operasi Android.

Google Play Store adalah cara mudah untuk menyebarkan aplikasi di Android. Google Play Store adalah kaedah termudah untuk meybarkan aplikasi Android anda kepada pengguna yang berpotensi diserata dunia. Dengan beberapa langkah yang perlu di jalankan, anda dapat menerbitkan aplikasi untuk di muat turun oleh pengguna dalam masa yang singkat.

Buku ini akan menerangkan bagaimana untuk menerbit aplikasi ke Google Play dengan menerangkan langkah demi langkah mengikut urutan proses dari mula hingga selesai. Buku ini akan menerangkan dari cara membuat akaun di Google Developer Console, memilih jenis akaun, mengemaskini maklumat akaun dan menghantar permohonan untuk menerbitkan aplikasi di Goole Play Store.

Pengguna telefon pintar dan tablet telah berkembang pesat. Diramalkan pengguna telefon akan terus berkembang dan ini bermaksud aplikasi anda akan terus berada di pasaran di Google Play.

Sebelum menerbitkan aplikasi di Google Play dan menyebarkannya kepada orang lain, terdapat beberapa perkara yang perlu anda ketahui. Berikut adalah perkara yang perlu diketahui sebelum menerbitkan aplikasi anda.

### **1. Baca dasar perjanjian Google Play**

Pastikan anda membaca dan memahami dasar polisi Google Play sebelum mendaftar. Google Play mengenakan polisi dan jika anda melanggarinya aplikasi anda akan digantung.

### **2. Uji kualiti aplikasi**

Sebelum menerbitkan apliaksi di Google Play, anda perlu memastikan bahawa aplikasi tersebut memenuhi kualiti asas yang diperlukan oleh semua aplikasi Android.

3. Penilaian Kandungan aplikasi (*Content Ratings*)

Google Play mahu semua pengguna android menetapkan penilaian kandungan untuk aplikasinya. Ini akan membolehkan pengguna mengetahui tahap kematangannya. Pilih penilaian yang sesuai untuk aplikasi anda sebelum menerbitkannya.

4. Rancang negara yang ingin diedarkan

Google Play membolehkan anda mengawal negara yang anda ingin terbitkan aplikasi. Untuk mendapatkan pengguna yang ramai, disarankan aplikasi anda disebar ke semua negara yang tersedia. Walaubagaimanapun, anda juga boleh mengecualikan beberapa negara untuk tidak diterbitkan. Ianya bergantung kepada pilihan anda.

5. Tentukan aplikasi anda percuma atau berbayar

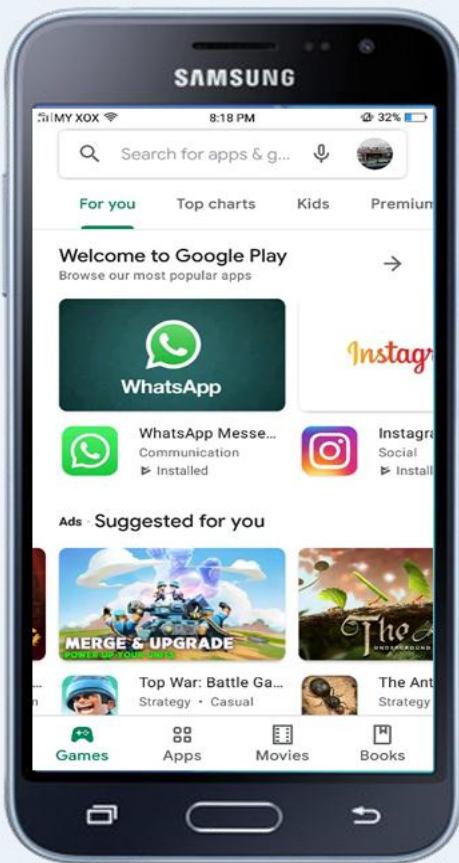

Anda boleh menerbitkan dan menyebarkan aplikasi di Google Play sebagai muat turun percuma atau berbayar. Aplikasi percuma dapat diakses dan dimuat turun oleh pengguna yang memuat turun. Aplikasi berbayar pula hanya dapat dimuat turun oleh pengguna yang berada di negara yang menyokong muat turun berbayar dan mempunyai akaun di Google Play dengan kaedah bayaran yang ditentukan seperti kad kredit.

6. Yuran Pendaftaran

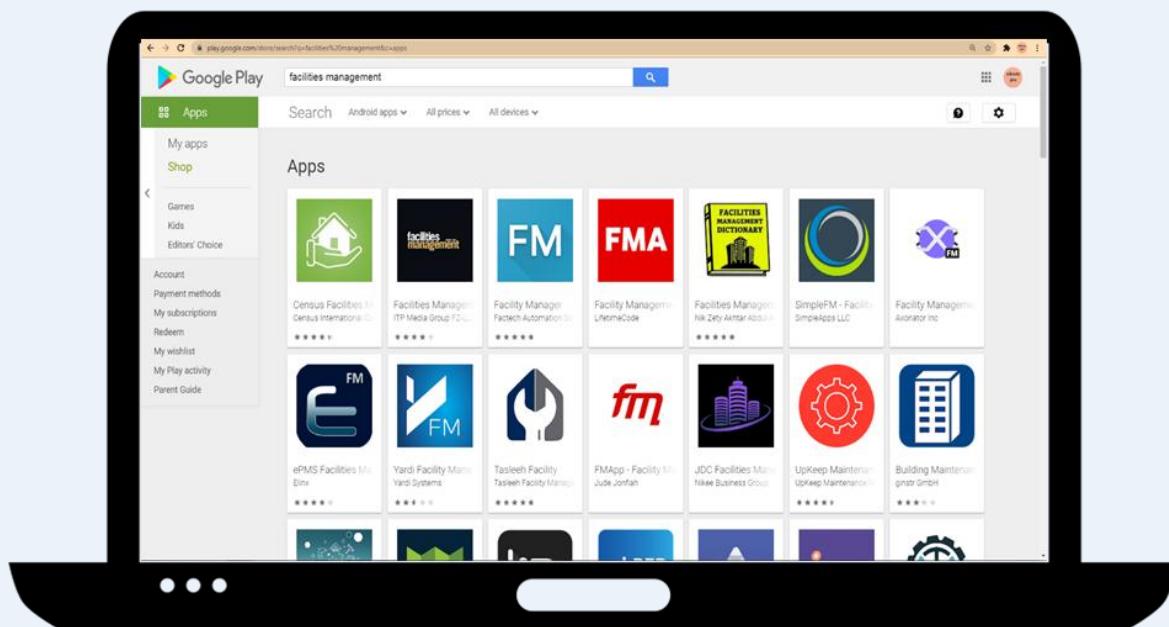

Menggunakan akaun google anda, daftar untuk *Developer Account*. Setelah anda mempunyai akaun tersebut, anda dapat menggunakan Google Play Console untuk menerbitkan dan mengurus aplikasi anda. Yuran pendaftaran sebanyak USD25 perlu dibayar menggunakan kad kredit atau kad debit terlebih dahulu sebelum menerbitkan aplikasi anda. Yuran ini adalah sekali sahaja untuk satu akaun google.

7. Lain-lain perkara

Anda juga perlu menyediakan komputer, sambungan internet, *web browser* dan fail APK

The screenshot shows the Google Play Console dashboard. On the left, there's a sidebar with categories like Grow, Quality, Monetize, and Store presence. Under 'Store presence', the 'Main store listing' option is highlighted and circled in red. A large red arrow points from the top left towards this circled area. Handwritten text 'Klik Main store listing' is written over the arrow. Below the sidebar, there's a message about longer review times due to work schedules. The main content area has sections for 'Start testing now' (with a note about internal testing) and 'Set up your app' (with a note about providing app information). The status bar at the bottom right shows the date as 7/4/2021 and the time as 6:05 PM.

This screenshot shows the 'Main store listing' configuration page. The sidebar on the left is identical to the previous dashboard view. The main area is titled 'Main store listing' and contains fields for 'App name' (set to 'ABCDE App'), 'Short description' (set to 'ABCDE App or Free'), and a 'Full description' text area which is currently empty. Handwritten text 'isi butiran app yang bertanda \*' is written over the 'Full description' field. At the bottom right of the page, there are 'Discard changes' and 'Save' buttons. The status bar at the bottom right shows the date as 7/4/2021 and the time as 6:05 PM.

The screenshot shows the 'Content ratings' section of the Google Play Console. On the left, there's a sidebar with options like Dashboard, Inbox, Statistics, Publishing overview, Release (Releases overview, Production, Testing, Device catalog, App bundle explorer, Setup), Grow (Store presence, Main store listing, Custom store listings, Store listing experiments, Store settings, Translation service, Store performance), and Quality. The main area has a heading 'Content ratings' with a red arrow pointing to it. It says 'Klik Dashboard''. Below this, it says 'Receive content ratings for your app from official rating authorities. Show more'. There's a link 'Start new questionnaire'. Under 'Your current ratings', it shows IARC status as 'Completed' (with a green checkmark) and 'View details'. It lists an email address (nikzety@gmail.com) and an IARC certificate ID. It also shows a submission date of July 4, 2021, at 8:14 PM, and a row of five circular icons representing different content rating categories. Below this, there's a section for 'Previous questionnaires' with a table showing a single entry submitted on July 4, 2021, at 8:14 PM, with an IARC Certificate ID and the same email address. The bottom of the screen shows a Windows taskbar with various pinned icons.

The screenshot shows the 'Dashboard' section of the Google Play Console. The sidebar is identical to the previous screenshot. The main area has a heading 'Release your app early for internal testing without review' with a small icon of three people. Below this, there's a section titled 'Set up your app' with a heading 'Provide information about your app and set up your store listing'. It says 'Let us know about the content of your app, and manage how it is organized and presented on Google Play' and shows a progress bar at '4 of 7 complete'. Under 'LET US KNOW ABOUT THE CONTENT OF YOUR APP', there are several checkboxes: 'App access' (checked), 'Ads' (checked), 'Content rating' (unchecked), 'Target audience' (unchecked, circled in red), and 'News apps' (unchecked). Below this, there's a section titled 'MANAGE HOW YOUR APP IS ORGANIZED AND PRESENTED' with checkboxes for 'Select an app category and provide contact details' (unchecked) and 'Get up your store listing' (checked). The bottom of the screen shows a Windows taskbar with various pinned icons.

The screenshot shows the Google Play Console interface for creating a production release. The left sidebar is collapsed, and the main area displays the 'Create production release' screen. At the top, there's a message about problems with the release. Below it, two tabs are visible: 'Prepare' (selected) and 'Review and release'. A section titled 'Errors, warnings and messages' shows 3 Warnings. The 'New app bundles' table lists one APK entry: File type APK, Version 1 (0.0.1), API levels 22+, Target SDK 29, Screen layouts 4, ABIs All, and Required features 2. The 'Release notes' section includes a note about the default language being en-GB and mentions 'Facilities Management Dictionary'. At the bottom right, a large red arrow points to the blue 'Start rollout to Production' button. The status bar at the bottom indicates the date as 7/6/2021 and the time as 9:28 PM.

This screenshot shows the same Google Play Console interface as the previous one, but with a modal dialog box overlaid. The dialog is titled 'Rollout to production?' and contains the text: 'This release will be available to all users on Google Play in your chosen countries'. It has two buttons: 'Cancel' and a highlighted 'Rollout' button. A red arrow points to the 'Rollout' button. The background of the console is dimmed. The status bar at the bottom indicates the date as 7/6/2021 and the time as 9:28 PM.
